

Los Alamos Cooperative Market

Restaurant, Catering & Wholesale Program

The Los Alamos Co-op can provide high quality, natural and organic products for your food business. As an individual business owner or manager, you can source products through the co-op. We specialize in organic & local produce, bulk foods, local grass-fed beef, gourmet cheeses, baking ingredients, and grocery items. In order to save money simply join the co-op as an individual and order at a discount from any of our departments. Please call or email us if you have questions. Below are the current deals by departments.
